

CAPABILITY STATEMENT

THINGS AREN'T ALWAYS

BLACK & WHITE.

We're here to help give your brand it's color.

// CORE COMPETENCIES

LOGOS & BRANDING:

- Logos, Branding and Identity Packages
- Expo and Trade Show Booth Design and Banners
- Conference Branding, Signage and Programs

DIGITAL DESIGN:

- Infographics, Digital Ads and eBooks
- Web design, HTML Emailers and eNewsletters
- Presentation Charts and Graphics

PRINT DESIGN:

- Brochures, Flyers and Print Collateral
- Annual Reports and White Papers
- Printed Ads, Mailers and Promotional Materials

// PAST PERFORMANCE

PACK EXPO TRADE SHOWS

- Updated the logo and created the new design and core creative for the 4th largest trade show in North America.
- Created the exhibitor prospectus, signage, badges, ads, wrap-up reports, banners and other collateral for trade shows that had up to 50,000 attendees from 16 countries.
- Designed their 4,000 sq/ft booths for dozens of events they hosted and attended, around the world.

THE ASSOCIATION FOR PACKAGING AND PROCESSING TECHNOLOGIES (PMMI)

- Created the logo, and campaign design for multiple conferences and meetings each with over 250 attendees.
- Designed invitations, programs, signage, table cards, and emailers for each of these conferences and meetings.

// COMPANY OVERVIEW

Altered Edge delivers over 18 years of combined experience providing branding, print and digital graphic design solutions while working within the limitations of each project. We are committed to helping our clients achieve their design goals while providing them clear timelines and responsive communications. We oversee our team while working with any copywriters, printers, photographers, or videographers for every project.
